It was the most frightening experience of my life. We with my friends go to wild natural park in last summer. We wanted to see wild life of animals. We take no many eat, camera and go to forest

Landscaps was not intricate, but friends were overwhelmed nature around us because see it in one time. Jon was most old high man with stubble, he said: "It's best place for photos" Wonderful mountains were at background, not far was river. We heard of birds and a lot of insects. We has been going and launch. But Jake is young man with shot black heares (~~hairs~~) has hearing strange sound we were very scared because it was big brown bear!

We quickly run away. I think that this bear take us on dinner! He was cruel and not funny. But we showed big agility and has running to our car. Our trip go to end. ~~Just~~ When we go away Jake said: "I never not running quietly. Today day very worry me."
